## New measures for HORECA (Caterers)

On terraces: maximum 10 persons per table, without obligatory test, but obligatory application of social distancing measures (distance 1.5 m, masks to be worn when moving about)

Indoors: maximum 4 people per table obligatory application of social distancing measures (distance 1.5 m, masks to be worn when moving about)

Closing time is 01.00, except in case of an all-nighter authorised by your municipality

The curfew is abolished

### Covid-Check or health measures

Establishments have the choice to apply the Covid-Check regime or not. A combination of both of the two options is not allowed, unless the Covid-Check event is held in a separate and individual room. For example, dividing a room with panels applying Covid-Check on one side and the usual health measures (tables with a maximum of 4 people, wearing masks and socially distancing from each other) on the other side is not tolerated
